Information and Technical Tips for a Successful Meeting

- (1) Make the call from a quiet area where there is as little background noise as possible.
- (2) As more than one Meeting will be held during this period, listen for your case to be called. When your case is called, unmute yourself in Webex (by using *6 if you are attending by telephone or clicking on the unmute button) and identify yourself.
- (3) When speaking during your case, identify yourself.
- (4) If any party is attending the Meeting from the same location as another party, use separate touch-tone phones or computers to participate.

- (5) Once the case Meeting is finished, hang up or disconnect.
- (6) If you become disconnected before your Meeting is finished, rejoin the Webex session.

Bankruptcy Documents:

Debtors should have their bankruptcy documents available in the event there are questions about the information in the documents.

No Recording: The Meetings will be recorded by the trustee or United States Trustee. Any other recordings are prohibited.

Identification Procedures - Debtors should provide copies of their photo identification and proof of Social Security number to Trustee Mastan prior to the start of the 341 meeting. Copies may be provided through debtor's counsel or directly to Trustee Mastan if unrepresented by mail or overnight delivery only. Trustee Mastan does **NOT** accept photo identification and proof of Social Security number electronically. If such proof has not been provided, the 341 meeting will be continued until the trustee has received proof of identification.

Preparation for the Call:

- Each call will have multiple cases; after connecting to the call please mute yourself, turn off your video, and wait until your case is called.
- When your case is called, please unmute yourself, turn on your camera if possible, and speak clearly and loudly as the meeting is being recorded.
- Debtors should be prepared and have copies of documents on which they can reasonably expect to be examined (petition, schedules, statement of financial affairs, tax returns, etc.) or any documents the trustee has indicated in advance that debtors should have available for questioning.
